

CS 475 Assignment 3 report

Shreyas Pimpalgaonkar - 160050024
Saiteja Nangunoori - 160050089

We created the following models:

1. A humanoid
2. A space kitty
3. A box
4. A pair of sunglasses
5. A Tie

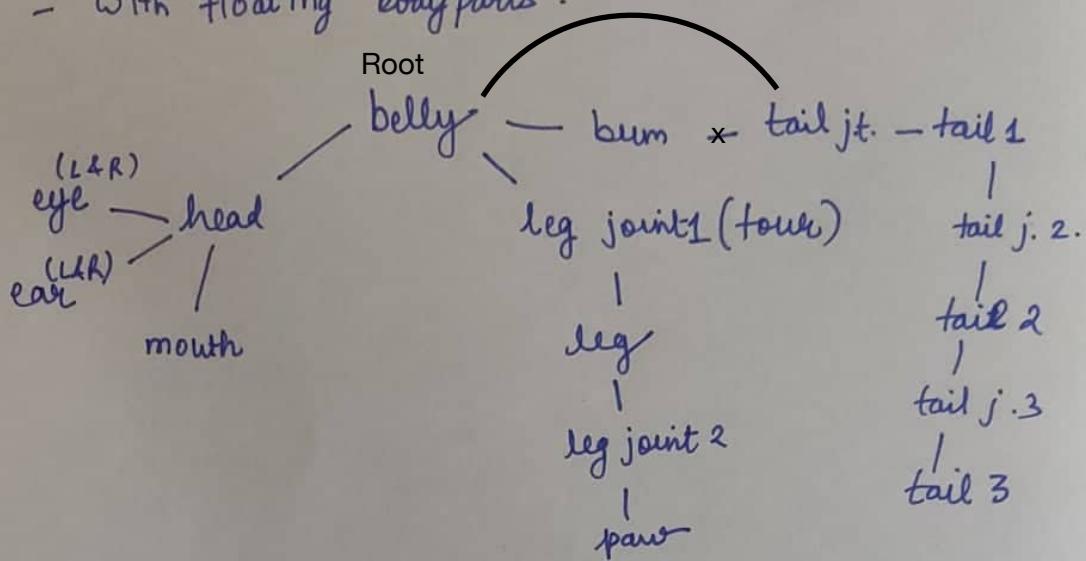

The hierarchies of the models are :

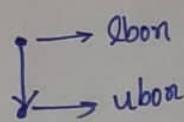

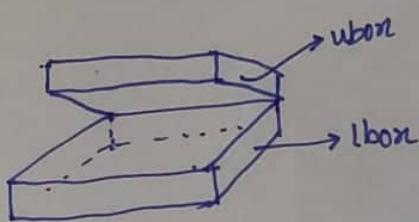

CAT

"THE SPACE KITTY"

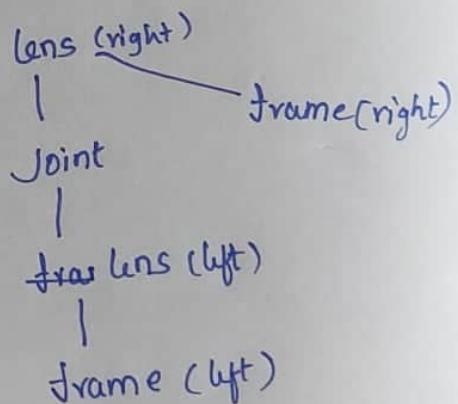

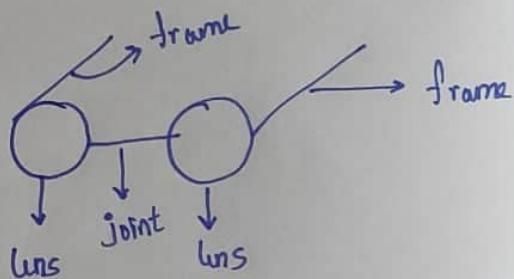

- with floating body parts.

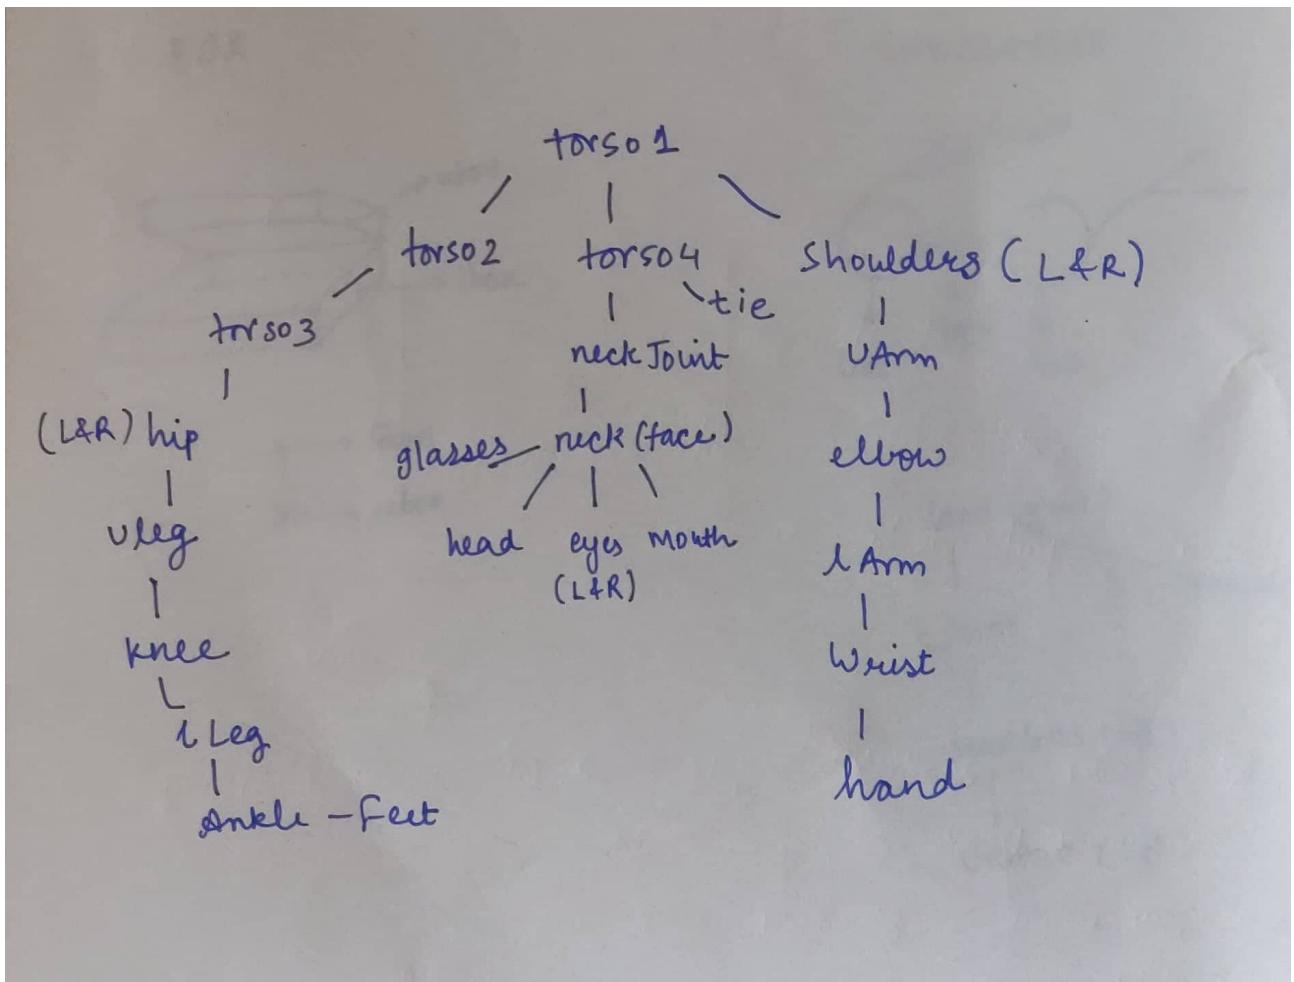

BOX

SUNGLASSES

Humanoid -

Note : In the cat model, we have added an extra node above the belly just to make it able to rotate about it's centroid
